

# Module 1.2

## What Will You Learn?

# Module Notes

## KEY POINTS

## EXPLANATION

**Main aim of program is help you sell your home as quickly and cheaply/inexpensively as possible...for the best possible price!**

I'm just a regular guy that worked this stuff out!

**I'll be taking you through the entire process to sell your property?**

I've laid out this course in a format you can follow step-by-step and will include various sources and people who can assist you along the way.

**Information is time released**

To ensure you're in the best position to sell your property. Skipping information could jeopardise your success! This is very important!

**Listing and selling your property isn't difficult**

- Trust me, I did it myself and I'm just a regular guy!
